

RENEWAL REGISTRATIONS

A list of works of art, scientific and technical drawings, photographic works, and prints and pictorial works for which renewal registrations were made during the period covered by this issue. Arrangement is by the name of the author (i.e., artist, draftsman, photographer, etc., or employer in the case of a work made for hire) Information relating to both original and renewal registrations is included in each entry. Cross-references from names of renewal claimants, joint authors, distinctive titles, subjects of portraits, cities and geographic areas, and other scenes represented in the entries, when applicable, are interfiled.
